

Appendix 1: Malpractice/Maladministration Declaration

Actual, potential or perceived malpractice or maladministration could arise from any of the above-mentioned instances (the list is not exhaustive – therefore notification must be given so TLM can determine if malpractice or maladministration is an issue):

Full Name	
Job Role	
Centre Name	
Centre Number	
Address	
Telephone number	
Email Address	

Information for a declaration must include:

- The type of event/issue
- The nature of the event/issue
- A description of circumstances and persons responsible or accountable.

Declaration

I declare that the information is correct and I will assist TLM in any enquiry or investigation required.
