

## The Mandatory Unit - Level 3, Unit 1 – variable reach rough terrain lift truck operators (1 credits)

1. Understand the legislation and personal duties for variable reach rough terrain lift truck operators	2. Understand the safe operations of a variable reach rough terrain lift truck	3. Understand the characteristics of a variable reach rough terrain lift truck
1.1 I can describe the legislation applicable to a variable reach rough terrain lift truck	2.1 I can describe the frequency of inspections needed for a variable reach rough terrain lift truck	3.1 I can describe the varied steering and transmission that may be fitted to a variable reach rough terrain lift truck
1.2 I can describe the employer’s duties applicable to a variable reach rough terrain lift truck	2.2 I can demonstrate an understanding of the principles of risk assessment applicable to a variable reach rough terrain lift truck	3.2 I can describe the lifting, reaching and tilting functions of a variable reach rough terrain lift truck
1.3 I can describe the employee’s duties applicable to a variable reach rough terrain lift truck	2.3 I can describe hazards and how to reduce the potential for accidents applicable to variable reach rough terrain lift truck	3.3 I can describe load handling envelope

### Assessment Method

Assessors can score each of the criteria L, S or H. N indicates no evidence and is the default starting point. L indicates some capability, but some help still required. S indicates that the candidate can match the criterion to its required specification. H indicates performance that goes beyond the expected in at least some aspects. Candidates are required to achieve at least S on all the criteria to achieve the full award.
